About This Content

The official soundtrack for Luna's Wandering Stars features ten original compositions. Each song has a unique take on the energy and spirit of each planet, with many of them being largely by Gustav Holst's "The Planets" suite.

Track list:

- 01 - Title Theme - Exciting exploration of the universe
- 02 - Mercury - The fast adventurer
- 03 - Venus - Too hot to handle
- 04 - Earth - Cool piano, synth, bass and drums combo. Perfect for supporting life
- 05 - Mars - The planet of war
- 06 - Jupiter - The large and magnificent
- 07 - Saturn - Beautiful flowing rings
- 08 - Uranus - Mischievous piano solo
- 09 - Neptune - Peacefully drifting through the edge of our solar system
- 10 - Pluto - Quirky piano duet with a Rachmaninoff tribute
