Updating the game through Rockstar servers is a nightmare when u have slower internet connection. The fitgirl repack comes with all the DLC packs pre-installed. Oct 15, 2013 I am having an issue with the mod. It appears that the included mod does not work for Mafia 1/2 ULTRA EZ! Even after uninstalling and re-installing. I downloaded MrDJ's Mafia 1/2 ULTRA EZ Modpack and the mod appears to work fine but after a day or two of playing, all of the features of the mod stop working. This includes all weapons and all available mods. My

only advise is to only put the Mr DJ Mafia 1/2 ULTRA EZ Modpack on if you are only going to play Mafia 1/2 on the PC Mafia 3 PC In this page you will find all the released updates for mafia 3. Mafia 2 MrDj Super Easy Mod v6.0 [Latest] MrDJ Repack Mafia 1 2 HD for PC.
